

AutoCoders

Registration Fees:

50/- per head

Team of 2 - 80/-

Team of 3 - 120/-

Prize : Worth 3K

Description :

AutoCoders is an event with a great blend of vivid coding activities, enabling the coders out there to unleash their potential! Compete and challenge yourself to overcome the brilliant minds.

Round 1: Fumble Bee Quizzz

Fumble-bee will bee an online quiz competition, a platform for the same will bee informed to the participants. The quiz will bee of 30 mins consisting of 45 questions, each with a time limit of 40 seconds.

This round will test your knowledge about coding, programming concepts and debugging.

Round2: Decepti-code

The most amazing part of the contest, here the participants will be required to code the solution of a simple problem statement, sounds easy ? Well here's the knack - you've to code intuitively .....(your code will be invisible).

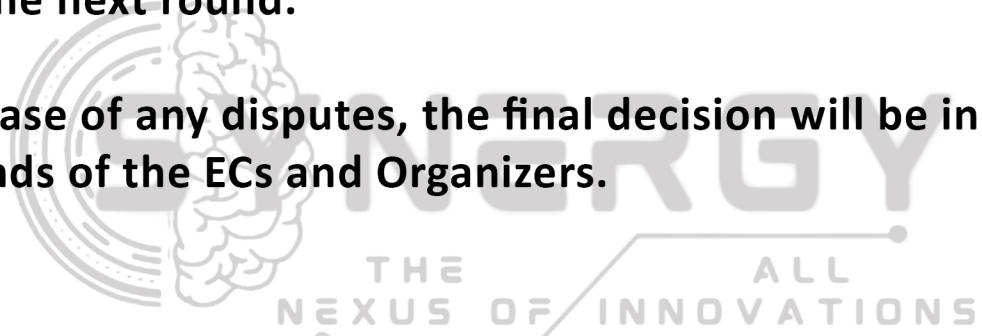

Round 3: Computus Prime

This round will test your coding skills, here the finalists will be solving some really interesting questions. This round will comprise of competitive coding

Note:

- **Fastest teams to complete their respective chain will qualify to the next round.**
- **In case of any disputes, the final decision will be in the hands of the ECs and Organizers.**
